

Handwritten text in a cursive script, appearing to read "A. J. ...". The text is rendered in a grayscale, pixelated style, suggesting it is a scan of a document. The characters are dark gray/black with some lighter gray shading, giving it a textured, slightly blurred appearance. The word "A." is clearly visible on the left, followed by a space and the letter "J". The rest of the text is less distinct due to the pixelation and fading.
