Italo Vignoli

AMORE ET STUDIO ELUCIDANDAE
 ueritatis hae subscripta disputabunt Vuitenbergae, Praesidēte
 R. P. Martino Luther, Arū & S. Theologiae Magistro, eius-
 demq; ibidem leſore Ordinario. Quare petit ut qui non pos-
 sunt uerbis praesentes nobiscum disceptare, agant id literis ab-
 sentes. In nomine domini nostri Iesu Christi. Amen.

- i  Ominus & Magister noster Iesus Christus, di-
 cendo poenitentia agite &c. omnem uitam si-
 delium, poenitentiam esse uoluit.
- ii Quod uerbu poenitentia de poenitentia sacra-
 mentali (i. confessionis & satisfactionis quae
 sacerdotum ministerio celebratur) non po-
 teſt intelligi.
- iii Non tamen sola intēdit interiorē; immo interior nulla est, nisi
 foris operetur uarias carnis mortificationes.
- iiii Manet itaq; poena donec manet odium sui (i. poenitentia uera
 intus) scilicet usq; ad introitum regni caelorum.
- v Papa non uult nec potest, ullas poenas remittere; praeter eas,
 quas arbitrio uel suo uel canonum imposuit.
- vi Papa nō potest remittere ullam culpā, nisi declarādo & appro-
 bando remissam a deo. Aut certe remittēdo casus reſeruos
 sibi, quibus contēptis culpa profus remaneret.
- vii Nulli profus remittit deus culpam, quia simul cum subijciat
 humiliarum in omnibus sacerdoti suo uicario.
- viii Canones poenitentiales solu uiuentibus sunt impositi; nihilq;
 morituris, secundū eodē debet imponi.
- ix Inde bene nobis facit spiritus sanctus in Papa: excipiēdo in su-
 is decretis semper articulum mortis & necessitatis.
- x Indocēte & male faciūt sacerdotes ij, qui morituris poenitētiā
 canonicas in purgatorium reſeruant.
- xi Zizania illa de mutanda poena Canonica in poenā purgato-
 rij, uidentur certe dormientibus Episcopis seminata.
- xii Oſta poenae canonicae nō post, sed ante absolutionem impo-
 nebantur, tanq; tentamenta uerae contritionis.

DISPUTATIO DE VIRTUTE INDVLGEN.

- xij Morituri, per mortem omnia solunt, & legibus canonū mor-
 tui tam sunt, habentes iure earū relaxationem.
- xiii Imperfecta sanitas seu charitas morituri, necessario secum fert
 magnū timorem, tūtoq; maiorē, quāto minor fuerit ipsa.
- xiv Hic timor & horror, satis est, se solo (ut alia taceam) facere poe-
 nam purgatorij, cum sit proximus desperationis horror.
- xv Videntur, infernus, purgatorium, caelum diſſerre; sicut despe-
 ratio, prope desperatio, securitas diſſerunt.
- xvi Necellarium uidetur animabus in purgatorio sicut minui hor-
 rorem, ita augeri charitatem.
- xvii Nec probatū uidetur ullis, aut rationibus, aut scripturis, q; sint
 extra statum meriti seu augendae charitatis.
- xviii Nec hoc probatū esse uidetur, q; sint de sua beatitudine certae
 & securae, saltem oēs, licet nos certissimi simus.
- xix Igit̄ Papa per remissionē plenariā omnium poenarū, non simpli-
 citer omnium intelligit, sed a seipso tūmodo impositarū.
- xx Errant itaq; indulgentiarū praedicatores ij, qui dicunt per Pa-
 pa indulgentias, hominē ab omni poena solui & saluari.
- xxi Quin nullam remittit animabus in purgatorio, quā in hac ui-
 ta debuissent secundum Canones soluere.
- xxii Si remissio ulla omnium omnino poenarū pot̄ alicui dari; certū
 est eam nō nisi perfectissimis, i. paucissimis dari.
- xxiii Falli ob id necesse est, maiorem partē populi; per indifferentē
 illam & magnificam poenae solutae promissionem.
- xxv Qualē potestatem habet Papa i purgatorij gūaliter talē habet
 quilibet Episcopus & curat̄ in sua dioceſi, & parochia spāliter.
- i Optime facit Papa, q; nō potestate clauis (quā nullam habet)
 sed per modum suffragij, dat animabus remissionem.
- ii Hominē praedicant, qui stant, ut iactus nūmus in cistam tin-
 nient, euolare dicunt animam.
- iii Certū est nūmo in cistam tinniente, augeri quæstum & auariti-
 am posse; suffragij aut̄ ecclesiae est in arbitrio dei solius.
- iiii Quis scit si omnes animae in purgatorio uelint redimi, sicut de
 sancto Seuerino & paschali factum narratur?
- v Nullus securus est de ueritate suae contritionis; multo minus

Office 2010: per Microsoft la concorrenza è rimasta indietro

"OpenOffice? Neanche per hobby". Parla Fabrizio Albergati di Microsoft Italia sui perché delle novità di Office 2010 e sul confronto con la concorrenza di OpenOffice e Google Docs

a cura di Alfredo Distefano

PLIO risponde

The image shows a screenshot of the PC World Italia website. At the top, the logo "PCWORLD ITALIA" is displayed in white on a red background. To the right of the logo is a search bar with the text "Cerca in PC World..." and a "Cerca" button. Below the logo, there is a promotional banner for the July issue of PC World magazine, titled "LA RETE PERFETTA". To the right of the magazine cover, there is a text box advertising a BlackBerry Sever Express, stating "Tieni sotto controllo la tua mail aziendale. Scaricalo subito gratis!". Below the banner, a navigation menu contains the following items: "IN EVIDENZA", "NEWS", "PROVE", "FOCUS", "COME FARE", "IMMAGINI", "VIDEO", "BLOG", and "DOWNLOAD". On the left side of the main content area, there is a "TUTTO SU" section with a globe icon, listing various technology categories such as "DIGITALE TERRESTRE", "IPAD", "PC ALL-IN-ONE", "NOTEBOOK", "FOTOGRAFIA", "AUDIO E VIDEO", "CELLULARI/SMARTPHONE", "HARDWARE PC", "INTERNET", "SOFTWARE", "SICUREZZA", "IPHONE", "NETBOOK", "SCATTA E PUBBLICA", and "DIZIONARIO IT". On the right side, the "Focus" section is highlighted with a large orange vertical bar and the word "Focus" in orange. The main article title is "Risposta ad Albergati su OpenOffice e Microsoft Office", with a red speech bubble icon containing the number "3". Below the title, there is a sub-headline in italics: "Pubblichiamo la lettera aperta di Italo Vignoli, presidente del PLIO, Progetto Linguistico Italiano OpenOffice.org, in risposta ai giudizi su OpenOffice espressi da Fabrizio Albergati di Microsoft nell'intervista concessa a PC World". At the bottom of the article, it says "a cura di Alfredo Distefano".
